

**R E M A R K S**

- Claim 1 was pending
- Claims 2 to 49 were previously cancelled
- Claims 50 to 77 have been added herein
- Claims 50, 71, 77, and 74 will be the only pending independent claims

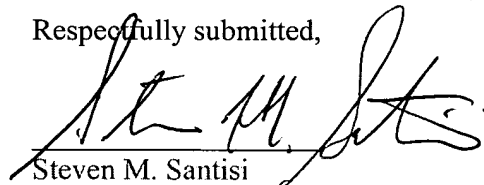

Claim 1 was rejected under 35 U.S.C Section 101 as double patenting of U.S. Patent No. 6,203,430. Claim 1 has been cancelled herein and thus Applicants believe the Examiner's rejection is overcome. The new claims recite features that make them not coextensive in scope with the claims of U.S. Patent No. 6,203,430.

Applicants believe all claims are in condition for allowance. The Examiner's early reconsideration is respectfully requested. The Examiner is invited to contact Steven Santisi at telephone number (203)461-7054 or via electronic mail at [steven.santisi@walkerdigital.com](mailto:steven.santisi@walkerdigital.com) with any questions or comments regarding the present application.

Please charge any additional fees that may be required for this Amendment, or credit any overpayment to Deposit Account No. 50-0271.

November 20, 2003  
Date

Respectfully submitted,

Steven M. Santisi
